IS YOUR LIVER DISEASED? IS YOUR LIVER DISEASED?

You may find relief if you will but try in time. Our Agent has just received the following:

New Jerser, Bordentown, Oct 25, 1845.

Mr. Seth W. Fowle-Dear Sir: I am well aware that persons of every age and sex, and condition in life, in every part of the country, have used, and been benefitied by Dr. WISTAR'S BALSAM OF WILD CHERRY. My own life has been saved with it. My father's and my mother's family were both consumptive. My father mother and a sister died with that fatal disease.—

Far some years I have been predisposed to it myself.—

About one year ago I was quite sick for a number of wests, confined in my bed when the pain in my side would allow me to lay. My physician pronounced my fiense Liver Complaint; my liver was very much entre-til raised blood several times; the pain in my side was so severe that the cars passing in the street by the

I was cupped, bled, and had various other nemedies applied, but all to no purpose; I got no theirs at last my physician said he could not cure me. I repeted to die soon, but providentially I heard of and obtained a bottle of your Balsam, which relieved me at once. I was encouraged to persevere in using it, until I took four or five bottles, which saved my life and cared me. My health is now good. For Liver Complaints, I believe it is a most certain cure.

THE subscriber has opened this fine llotel for the accommodation of the public, and will superintend it in person. It has just been repaired throughout, and enlarged, by the addition of some fifteen bed rooms, a large and elegant dining room, ladies' parlor, &c.

The sleeping apariments in the new addition are large and well ventilated, nearly finished, and furnished with new furniture, the whole interior presenting an appearance of neatness and comfort seldom scen in the best ordered hotels.

Besides the usual comforts of a house of this kind, there is a SPRING of the very best free-stone water gushing out of the rock on which the hotel stands.

The great celebrity which it has already acquired, not only in the old, but in the new world—the extraordinary cures it has performed in the most extreme cases of suffering, have acquired for it such a reputation, that the proprietor has not—until recently—been able to supply haif the demand. The sales throughout every city, town and village in the United States are without a paralle!!

A circumstance not surprising, when the vast amount of human suffering relieved by its use is considered.—In Spinal Defects the benefit usually is of the most decided character. In Nervous Complaints, nineteen cases out of twenty readily yield to the penetrating stimula combined in this valuable preparation.

In Rheumatism, either acute or chronic, the claims of the Hebrew Plaster have long since been universally acknowledged. THE HUGUENOT WHITE SULPHUR AND CHALYBEATE SPRINGS.

This agreeable summer retreat is again open to visitors. The virtue of the waters in invigorating the frame, and even in restoring health, where the stronger waters of other sections had been tried in vain, has now been sufficiently tested by the experience of one season. I am, therefore, justified in hespeaking for them the favor of the public, and especially of invalids whose systems require a milder influence than the mountain breezes and harsher waters of Western Virginia are found to exert.

Since the last season, important improvements have been made—smooth and shady walks, and level roads through the ample forest grounds attached to the Springs, invite the romantic and the lovers of rural exercises; and, for those whose quest is recreation more than health, a musical band, a fine airy ball from, bathing apaitments, bowling alleys, and all the customary resources of pleasure and amusement, have been provided. In shart, no effort or expense has been spared to supply whatever might contribute to the comfort or enjoy ment of the guests.

The establishment is mainly under the management of the same attentive and obtiging superintendents, male and female, whose efforts to picase gave such satisfaction the last season; and, as I shall reside at the Springs, it will be my endeavor, by a general supervision, to aid in securing the great-ruds of "health to the sick, and pleasure to the leathy." A copy right for the Balsam is secured.

Absurd as it may appear in the face of the above unde niable proof, an individual from Boston, Mass, recent ly applied to the U. States District Court of Pennsylvania for an injunction on the General Agent for the United States and the British Provinces, to prevent said Agent from selling the only genuine Dr. Wisiar's Balsam of Wild Cherry, (said individual claiming the right.) Of course the Hon, Judge of said Court promptly refused it.

The Balsam is not one of the quack nostrums of the day, claiming to care persons whose cases are beyond the reach of medicine—for restoring others to life;—it only claims, and has proved in thousands of cases, to he the first, more efficacious, and only genuine preparation of Wild Cherry of the ainterentic century, for affections of the Lungs, Liver and Kidneys, frequently terminating in Consumption, everoffered to the public.
